

# Havana Nights

## Sponsorship Proposal

*Presenting a transformative night to brighten our children's future*

**FEBRUARY 24, 2017 • 8 PM • NIKKI BEACH • MIAMI, FLORIDA**

### **Meet Neat Stuff Inc.**

Neat Stuff, Inc. was founded in 1995 to meet the critical clothing needs of children involved in the child welfare system. With the mission to provide free new clothing and school uniforms to abused, neglected, homeless and other at-risk children, Neat Stuff originally began providing services from the founder's garage. Today Neat Stuff operates an exclusive clothing store in the Allapattah area offering Miami-Dade County's most vulnerable children a "unique shopping experience". For the past 20 years Neat Stuff, Inc. has been the only non-profit agency in Southeast Florida dedicated exclusively to the free distribution of brand new clothing and school uniforms to these amazing children. Since its inception, over 100,000 of South Florida's at-risk children have benefited from our clothing programs and this past year alone, over 2,000 children visited our clothing store receiving over half a million dollars of new clothes! During school year 2015, Neat Stuff, Inc. distributed a one-week supply of brand new school uniforms to over 1,000 needy children. This 2016 Back to School alone, Neat Stuff, Inc. provided brand new school uniforms to approximately 600 at-risk children, which number will more than double throughout the school year!

Clothes have a stronger impact in the daily lives of at-risk children than what most of us often imagine. When a child can choose their own clothes, that inspires creativity and builds self-confidence. When a child can select clean, new uniforms, that ensures access to public education. Neat Stuff helps open the doors to the social and educational opportunities that all children deserve!

### **About The Event**

Havana Nights - "A Night to Brighten" is Neat Stuff's annual fundraiser event, which 100% of all event proceeds assist Neat Stuff to continue distributing free new clothing and school uniforms to thousands of abused, neglected, homeless and other at-risk children residing in Miami-Dade County.
